Use this page as a “feeder page” taping a piece of tissue to it approximately 1/2” larger than the dotted line box.

Stars and Aviators Take Flight
Vanguard P-18 Airplane Mass Launch

<-------- Cut tissue straight across 1/16”below this line with a sharp razor blade. By doing this, the top tissue edge will line up at the top of the second to the outside 1/16” wide rib. Use the dotted outline to line up the rest of the tissue.
